Caroline,

You said you cc'd Gareth right? I didn't see him name on the header but maybe it's a bcc...no problem, just wanted to ensure he gets this request so I can get something going for Rod's travel in May.

So sorry to bother you so much! Appreciate all you are doing for me in this matter.

Hi Jana,

Apologies that my response got stuck in my drafts. I believe we meant to refer you to Jim Cason, the Acting Deputy Secretary. I have cc'ed Gareth Rees, who coordinates Jim's schedule.

Dear Caroline,

Rod received a call on Friday from your offices. He was offered a meeting with Tim ? as an alternate.

He is hoping to make travel plans and arrange a couple of meetings in DC around the middle of March.

Can you provide me with Tim's last name/title? We are looking at the week of March 8 or March 15 for his travel date periods. Do you have any recommendations on

what would work out best. He'd obviously like to meet with Secretary Zinke if he's in but we understand the constraints on his availability.

Many thanks for assisting us with this meeting.

Subject: Rod Hartness - Request to Meet with Secretary Zinke

Dear Carolyn,

Thanks again for keeping in touch with us. Rod is still interested in meeting with the Secretary. He's got a tentative trip to Minnesota coming up in May, but nothing firm. He's mentioned going from there over to DC.

So if a window comes up that you feel Secretary Zinke will be in, just give us some notice and we'll coordinate his travel for both.

Sincerely appreciate your help.

Hi Rod,

We have yet to finish planning the Secretary's travel at the end of April. There is a chance it will extend into early May. I hope to have an answer to you in the next two weeks.

Dear Ms. Boulton,

Thank you for sending me the meeting proposal form.

It is attached and it would be an honor for me to meet with Secretary Zinke (or his designee). Could I be advised how long the request may take on a reply so that I can move forward with my travel plans.

I may be attending the National Energy Summit in DC on May 1-3, but I'd like to know if this meeting can be arranged prior to making my decision on the conference.

With sincere regards for your time and attention to my request. If you need anything further, please let me know. I'll copy my Assistant, Jana Scimeca to keep her informed of our meeting

Department of Interior

The Honorable Secretary Ryan Zinke

Washington, DC

Dear Sir:

Attached is an introductory letter about my role for Appalachian Pipeline Contractors, LLP based out of Hendersonville, TN. I have worked for them for the last four years as their Lead Consultant. Having over 30 years' experience in the pipeline industry, a Seneca Cayuga tribal member, and independent businessman, I represent APC as an advocate for Native Americans, to have opportunities to work on pipeline related projects that we are involved in. It is my mission and vision to support our organization and lift up tribal members across this great land of ours to be given opportunities that can give them a better life in the pipeline industry.

I am planning to be in Washington DC, May 1-3 for the National Tribal Energy Summit. If there is time on your schedule, I would welcome a brief introductory meeting of 30-minutes if possible. If you would be attending this conference, we could arrange a meeting there.

Thank you for allowing me this opportunity to provide you with this information and meeting request.

Respectfully submitted,
